# Inclement Weather Policy

We are committed to delivering a seamless and memorable experience for every event. As our venue is fully outdoors, we have outlined the following inclement weather policy to help you plan with confidence:

## Weather Monitoring

Our team actively monitors weather conditions in the days leading up to your event. If inclement weather appears likely, we will contact you to review backup options. Our designated rain plan is to relocate the event to the covered patio located behind Haymarket. This decision must be confirmed no later than 24 hours prior to the event start time.

## Event Continuation

Unless otherwise agreed upon, events will proceed as planned in the case of light rain.

## Tent Policy

Tents are permitted with prior approval and must be arranged in advance of the event. All tent rentals must be sourced through our exclusive partner, *All Occasions Event Rentals*.

## Rescheduling Due to Severe Weather

If your event is affected by severe weather—such as thunderstorms, heavy rain, or high winds—we will work with you to reschedule to a mutually agreeable date at no additional cost.

## Payment & Cancellation

In the event of cancellation due to severe weather, a refund will be issued minus a non-refundable deposit of \$500.

Thank you for your understanding and partnership. We're here to help ensure a beautiful experience—rain or shine.
