Inclement Weather Policy

WEATHER ACCOMMODATIONS

At Haymarket, we believe every gathering should feel effortless, welcoming, and beautifully cared for. As an open-air garden venue, we encourage thoughtful planning for weather contingencies and are here to help create a seamless experience for you and your guests, rain or shine.

RAIN CONTINGENCY

For gatherings of up to 60 guests, the Haymarket Patio may be reserved as an alternate setting in the event of light rain or inclement weather during non-peak hours and based on availability. The patio serves as a charming covered option that allows your celebration to continue comfortably while maintaining the warmth and hospitality of the Haymarket experience. An additional venue rental fee applies to reserve the patio as a dedicated rain backup space.

For larger celebrations or additional peace of mind, tenting options are available and can be thoughtfully arranged to complement the style and needs of your event.

TENTING OPTIONS

Tents may be installed for either partial garden coverage or throughout the full garden space and must be reserved in advance of your event date. To ensure a cohesive and elevated guest experience, all tent rentals are coordinated exclusively through our trusted partner, All Occasions Event Rental.

EVENT RESCHEDULING & CANCELLATION

In the event of severe weather, including thunderstorms, heavy rain, or high winds, our team will work closely with you to reschedule your gathering to a mutually agreed-upon date, based on venue availability. Our priority is ensuring your celebration is safe, comfortable, and enjoyable for everyone in attendance.

If you choose not to reschedule and instead elect to cancel your event, Haymarket will retain **25% of the initial deposit**, and any remaining eligible payments will be refunded.

We look forward to welcoming you to Haymarket and helping you create a gathering rooted in warmth, hospitality, and meaningful moments, whatever the forecast may bring.

An aerial photograph of an outdoor event space. On the left, a large white tent with a glass-paned roof is set up on a green lawn. A group of people is gathered under the tent. To the right of the tent, a paved walkway leads to a grassy area with several striped patio umbrellas, small tables, and chairs. A black metal fence runs along the top and right edges of the space, with a road and a crosswalk visible beyond it. The scene is bright and sunny, with shadows cast across the grass.
